Channel Partners are critical to HPE's strategy. They are an important extension of HPE sales & technical teams. With the relationships that we have built with our channel community, Engage & Grow has been further enhanced to reward and recognize the hard work of our trusted resellers. In FY21, we have aligned the program to HPE's channel objectives to grow SMB & Mid-Market.

Christanto Suryadarma
Senior Director & GM APAC Channels, SMB, Mid-Market & Commercial

Over the year we have listened to your voice and have refined E&G Engage & Grow so it truly rewards you, the Sales or Pre-Sales Professional. Our commitment is to continue to simplify our programs and to fuel the business into SMB, Mid-Market and others.
